COCHLEAR AMERICAS
COVID-19 Resources for Families

1. If you haven’t signed up for Cochlear Family, now is the time. Cochlear Family gives you access to important resources, product information, tips.

2. Cochlear Americas recently updated their Care and Support Section and added Guided Troubleshooting Support to help you maintain your device.

3. Continue to play and learn at home. Cochlear Americas has fun games available in English to help children develop language and literacy skills, and offers important information about Home-Based Hearing Therapy for adults.

4. As the situation develops, Cochlear Americas will continue sharing new information on resources on their social media channels. Follow along to stay in-the-know.
